Call for Papers

Submission Deadline April 15, 2018

We would like to invite you to attend this international conference, a meeting of minds on Advancing Marketing and Tourism in the Digital Economy in Kuching, the City of Unity on the island of Borneo. All accepted papers will be published in the MAGScholar online proceedings with an ISBN, and submitted for possible inclusion in Conference Proceedings Citation Index (CPCI). A selection of conference papers will also be considered for awards and publication in the indexed journals. We welcome you to join us and share with us your research, as well as network with the delegates from all over the world. For further inquiries, please contact Dr. Hiram Ting at hiramparousia@gmail.com.

Research Topic Themes:

- Marketing Sciences
 - Theoretical Development of Marketing
 - Systematic Review and Meta Analysis
 - Methodological Advancement in Marketing Research
- Marketing Trends and Practices
 - Social Marketing, Services Marketing
